ADULT PROJECT SEARCH®

The Arc
Monroe
New York

Quick Facts:

- One-year program preparing people for competitive employment
- Includes three 12-14 week training internships in various business departments
- Includes travel training
- Internships in hospitality, including Housekeeping, Front Desk, Food Service, etc.

The Arc of Monroe offers several Employment Readiness Services that provide various hands-on educational opportunities to prepare people with IDD for competitive/community employment.

Adult Project SEARCH® is a business-led internship service that teaches important transferable job skills while immersing people in a community business environment.

This year-long program is in partnership with the DelMonte Hotel Group where participants learn transferable work skills while completing internships at four DelMonte Hotel Group hotels. In addition to the hands on internship piece, participants also have an opportunity to work on safety in the community, banking, independent transportation, and many more relevant life skills.

Many of our Adult Project SEARCH® graduates move on to be employed at places like Wegmans, The DelMonte Hotel Group, senior living facilities, and local hospitals.

To learn more about Adult Project SEARCH®, contact our Admissions & Engagement team at (585) 672-2222.
