FAMILY SUPPORT SERVICES - BEHAVIOR MANAGEMENT

The Arc
Monroe
New York

Quick Facts:

- Must be OPWDD eligible.
- No age limit for participation.
- Open to anyone with IDD who lives with their family, including people with self-directed services living at home with caregivers.
- Lives in Monroe County.

The Arc of Monroe provides FSS - Behavior Management Service to parents and other caregivers supporting a person with IDD in their home.

The Behavior Intervention Specialist visits the home to learn more about the situation and the family's concerns and together work on planning support strategies that fit their needs and guide them on how to use the tools effectively to help their loved ones be as successful as possible. The strategies include, but are not limited to:

- Strategies for non-restrictive behavior management
- Identification of triggers and environmental supports
- Recommendations for additional services when appropriate

Needs are met as required and as long as necessary. This may be two visits to the home or on an ongoing basis until the behavioral need is resolved.
